

# Paper Plate Tenrec

Animals have different methods of protecting themselves. Some use spikes like porcupines while others, like turtles, use hard shells. Join Dorothy the Florida Box Turtle and Mable the Lesser Tenrec as we explore the similarities and differences between these two adaptations. We will also have some fun making our own Madagascar Hedgehog Tenrec!

## Supplies:

- One Paper Plate
- Scissors
- Crayons (or markers/colored pencils)
- Toothpicks
- Glue
